

MACEDONIA

2025

INVESTMENT OPPORTUNITY ADVICE **August 19-20, 2007**

With Mike Zafirovski
President and CEO of Nortel Networks Inc.
and several other business executives from around the world

Are you a small business owner or an aspiring entrepreneur?

Members of Macedonia 2025 will be available to help you develop your business plan to attract investment.

We will provide our expertise to help transform your plan into a clear business strategy that can attract investment and can be realized.

Each of the selected participants will benefit from an hour long interactive workshop which will include:

- A 30 minute presentation of your business plan
- A question and answer session with our panelists
- Realistic recommendations on how to improve you plan
- A plan to help you identify sources of capital

The workshops will be held in Ohrid (19.08.07) and Skopje (20.08.07). Further assistance will be provided to the best business plans.

Participants must apply in advance, only those successful applicants will be contacted. **Application Deadline August 10, 2007**
