

A DYNAMIC PLATFORM FOR SHARING KNOWLEDGE ON BUSINESS
ECONOMY, LEADERSHIP AND INNOVATION

The Macedonia2025 Summit

The Macedonia2025 Summit is an annual **"think-and-do"** tank where participants can gain profound insights into global trends that inspire blue-skies thinking and innovative solutions to local and regional challenges across a range of critical areas. Right in the heart of the Macedonian capital Skopje, the Summit brings together some 250 - 300 delegates who include senior diplomats and government officials, local business operators and global heads of industry engaging in Foreign Direct Investment, as well as both successful professionals from the diaspora and young future leaders focusing on Macedonia and the wider region. The Summit provides a platform for globally respected **experts and thought leaders** offering unique perspectives on the inter-connected fields of business development and economic progress, culture and education, health and leisure, opportunities arising from innovative use of technology, and importantly, the many rewards of value-based leadership, good corporate governance and corporate social responsibility.
