

You are invited to take advantage of the Early Bird opportunity, which ends on September 15, and be part of the Macedonia2025 Summit taking place at the Marriott Hotel, Skopje. The summit will feature engaging speaker panels and will include many networking opportunities with top executives and innovative entrepreneurs from Macedonia and around the world. We have confirmed an impressive list of speakers coming from USA, Russia, Japan, Australia, Canada, UK, Italy, Austria, Norway, Georgia, Germany, Albania, Slovenia, Serbia, Israel, Poland, and so on.

The Summit will provide answers on how the region can best develop with respect to economic growth, leadership and technology. Karina Barnholt Klepper, Senior Adviser at Nordic Energy Research will present on how a consortia of Nordic institutions are aiming for 100 per cent energy supply from sustainable sources. Shuichi Fukuda, Professor at Keio University in Tokyo, will talk about 'New Value Creation through Emotional Engineering'. Marko Butkovic from the European Space Agency (ESA) will speak on Europe's future in space in his keynote address: 'Missions and visions of the ESA'.

These speakers and many more will provide insights into how to stay on top in an ever-changing business landscape, alongside insights into recent innovations in science and technology.

We hope to see you there on October 20-21.

Sincerely,
Zoran Martinovski, Summit Chair and
World Bank's IFC Country Manager for Macedonia and Montenegro

Riccardo Maria Monti

President of Italferr

It is our great pleasure to announce **Riccardo Maria Monti**, President of Grandi Stazioni, as a speaker at the Macedonia2025 Summit 2016. Mr Monti will talk on key metrics that drive economic growth, reflecting on Italy's experience and his experience in over 30 countries in the field of economic development through his work in transforming companies into growth engines. [More info here](#)

Karina Barnholt Klepper

Senior Energy Adviser, Nordic Council of Ministers

Dr. Karina Barnholt Klepper is a senior adviser at Nordic Energy Research. She works with research programmes within renewable energy in the Nordic countries and in the EU. She also works with dissemination of the research from these programs. At the Summit Dr. Klepper will share the vision and strategy that the Nordic region is undertaking in implementing renewable energies and the economic benefits of introducing clean technologies. [More info about Dr. Klepper here.](#)

Nika Gilauri

Former Prime Minister of Georgia

The former Prime Minister of the Republic of Georgia, **Nika Gilauri** is currently the head of Bank of Georgia's Turkey office and is a senior adviser at McKinsey and Company. Between 2004 and 2009, he served as Energy Minister, Finance Minister and Prime Minister of Georgia, overseeing an unprecedented era of reform and growth. He is also the founder of the consultancy company Reformatics, and speaks all around the world on the topics of economic reform and development. [More info about Nika Gilauri here.](#)
